

XPRESS GLOBAL
TRADING SPECIFICATIONS

INTRODUCTION

The purpose of this document is to provide the information necessary for sending and receiving business information using Electronic Data Interchange (EDI).

EDI has many benefits:

- reducing time-consuming tasks
- reduces costly manual procedures
- reduces rework
- reduces telephone time and costs
- increases data accuracy
- allows for proactive problem solving

EDI used in the business environment allows the user to move toward a "paperless environment" with ease.
